COMMUNITY

We will be taking serious the pet complaints. You must pick up after your pet, your pet must be on a leash and your pet can not be outside unattended.

Secondly, parking on the street is NOT permitted.

Lastly, water is paid for by Village Green, please water your yard to keep the property green.

Tenants we have had a lot of people call to just "tattletale" on their neighbors. No one wants to live in an environment like that. Please follow the rules and be considerate of your neighbors.

Inspections

Will be in the middle of June this year. Start getting the outside of your home ready by picking up your yard, painting railings or decks, power washing, straightening curtains in the windows, and putting trash bins out of sight.

Seed and Hay – If you have had seed and hay put in your yard by our maintenance guys please keep up watering it this entire summer.

Now that the weather is nice it's time to get outside, take a walk and meet your new neighbors. Enjoy the time being part of a wonderful community.

Office Hours

There may be days when we will not be in the office 9-5. We will try our best to post a change in hours in advance on the office door. If for some reason we are not in you may call 616-405-9525 to reach us.

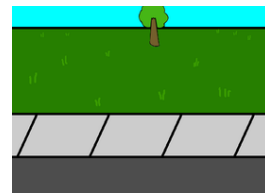

THANK YOU for all the BOX TOPS!

We are always collecting Box Tops in the office.

Please clip them and bring them in

Heads Up This SUMMER

We will be replacing sidewalks in Phase 1 (Entrance 1 and 2 off of Robbins Road) that are cracked.

During that time it is okay that people park on the road. We will give each home affected a letter on their door when they will need to stay off the new cement.
