COMMUNITY

- Spring is here! Time for spring cleaning. Remove the 'winter plastic' from the windows. This is also the time to start working on outside projects. Look around your yard, start picking up leaves left from last fall. Look around your house, fix the skirting, clean windows, and fix blinds / curtains in the windows, clear porches of stored items, putting all items in the shed and out of site.

- Cars parked in visitor parking can stay for a short visit to visit friends and family in the park. If you are a tenant and need to park in visitor parking because your driveway is full please stop by the office to get a sticker for your window so we know that you are a tenant at Village Green. We are posting signs in visitor parking that will state we will tow if unauthorized vehicles are parked there.

- Expecting company? Having a party? Please have your company park in the visitor lots and not on the road.

- Tenants please put your garbage cans on the sidewalk Monday night, James Land **NOT** on your lawns, by doing so it prevents the garbage trucks from driving on and damaging the sidewalks. Also garbage cans should be stored out of site from the road during the week.

- Received wrong mail? Bring it to the office or put a note on it and put back in the outbound mailbox.

- All dogs need to be on a leash *anytime* they are outside of your home. They cannot be put on a line and left outside without you. No exceptions.

- Please don't litter in people's driveways or in neighbors lawns
