## Important Message for Pet Owners

Residents are responsible for picking up their pet's waste

*\*Our Community follows the City of Grand Haven Leash Law\**  
All pets MUST be accompanied by their owner and kept on a leash when outside the home.

Residents are responsible for picking up their pet's waste wherever and whenever.

Non Animal home owners do not appreciate animals using their yard as a bathroom.

The Office has received numerous complaints pertaining to loose dogs. Please be responsible and respect other neighbors. We take these calls seriously.

### \* Get ready for Annual INSPECTIONS \*

- Look at the exterior of your home, look at the window coverings from the street, have you accumulated items around the outside of the home or around the shed, does your home or shed need to be power washed? Does your yard/garden need work?
- MOTORCYCLE Drivers: Please use the entrance closest to your home! No need to buzz around the Park! It's very disruptive to Non Motorcycle drivers
- MOPEDS: No riding on sidewalks. No cutting through the Walking path by Lot 74 & 33. Abide by the street rules!
- ***The speed limit for all motor vehicles in The Village Green is 15 MPH.***
- Parents are responsible for your children's actions; do you know what your children are up to? We had some complaints of destruction of property which cost us all.
