Claire. Thank you for calling Village Green

Village Green Reminders—

- Please be courteous and do not block tenants driveways when picking up your mail.
- Please DO NOT drop off clothing, food or other items to the mailhouses. You may take them to the GoodWill or Love Inc or a place of your choice.
- Manangement will be in the park this week for re-inspections on the summer home inspections. This is the final week to finish anything on your list.

DO NOT THROW anything (leaves, trash, dirt, plants, etc) into any of the ditches behind your home. They are getting clogged under the roads!

A well maintained home is a happy home. Give your home some TLC this month. Time spent cleaning and organizing is time well spent.

De-Cluttering your Kitchen:

Here's how to make the kitchen feel like a place you want to be in.

Here are some tips:

- Determine how the kitchen the kitchen is used. Reduce clutter by moving activities that take up the kitchen space such as kid's arts and crafts to another area of the house. Keep the counter and table surfaces clean and clear of knick-knacks.
- Put away any small countertop appliance that you're not using daily. Downsize the furniture in the kitchen to free up extra space if necessary.
- Take advantage of storage systems such as swing-out racks, pull-out units to help you get organized and create new space.
 Maximize your kitchen cabinet and pantry space by installing a rotating storage system such as a Lazy Susan or under-shelf baskets.
- Empty out your pantry cupboards, and go through your things with a critical eye.
 Decide what items to keep, store elsewhere, throw away or donate.
